WORK EXPERIENCE

EvoluteIQ

Corporate Finance Intern

New York City, NY

Jul 2026 – Sep 2026

- Developed budget and forecasting models, analyzing financial KPIs to support management reporting and planning
- Evaluated working capital, cash flow, and financial ratios to assess the company's financial performance and liquidity
- Performed budget vs actual and forecast vs actual analysis to identify performance and inform financial decisions
- Leveraged AI tools and Excel-based inputs to develop an investor dashboard through an intuitive, user-friendly design

USA Sport Group

Marketing & Communications Intern

Whitehouse Station, NJ

Sep 2025 – Dec 2025

- Reviewed 500+ client records in Excel to identify trends, improve data organization, and support reporting accuracy
- Implemented AI-assisted workflows across recurring documentation tasks, reducing manual review by 2 hours weekly
- Produced performance reports summarizing client trends, outreach results, and recommendations for management
- Prepared marketing materials reaching 2,000+ residents while supporting cross-functional initiatives across operations

EXTRACURRICULAR & LEADERSHIP ACTIVITIES

Hope for Spandana

Sponsorship Committee

New Brunswick, NJ

Sep 2026 – Present

- Researching and identifying prospective local sponsors and community partners to support the club's initiatives
- Developing sponsor outreach materials and communicating partnership opportunities to prospective organizations
- Tracking sponsor engagement and supporting ongoing relationship management with external partners

Mixed Finance Association

Co-Founder & Vice President

New Brunswick, NJ

Jan 2026 – Present

- Co-founded a student-led finance organization focused on supporting career development and technical skill-building
- Developed a year-long roadmap to organize speaker events, member initiatives, and long-term organization objectives
- Promoted the club's mission and initiatives to students and professionals across RBS, attracting 100+ new members

PROJECTS & COMPETITIONS

Independent Industry & Financial Research

Small Modular Reactors

Monroe Township, NJ

Aug 2026 – Present

- Developed an executive summary synthesizing key industry findings, operational risks, and investment considerations
- Researching the emerging SMR industry across market growth and barriers, regulations, and commercialization risks
- Analyzing leading SMR developers across funding, partnerships, customer demand, fuel supply, and project timelines

Johnson & Johnson Case Competition

Participant

New Brunswick, NJ

Apr 2026

- Placed 3rd by developing a growth strategy for A&A's wound-closure portfolio using market and financial analysis
- Evaluated pricing, cost, R&D, marketing, and supply chain considerations to determine viable growth opportunities
- Presented and defended the final recommendation using NPV, IRR, market-share projections, and sensitivity analysis
